

TO THE LADIES OF CLARKSBURG

We desire to announce that we have now on display the *Most Complete Assortment* of Ladies', Misses', Children's high grade fall and winter apparel that it has ever been our privilege and pleasure to offer at any time since the Friedlander's *Woman's Store* was established.

You will find in our store just the kind of goods you are looking for,
"and the Beauty of it All is"

that while it has been necessary for some concerns to pay an advance of as much as twenty-five to fifty per cent over last season's price for the same merchandise, the fact that we purchase our stocks of merchandise in large quantities and for **spot cash** permits us to buy at greatly reduced prices, and as a result, our customers can buy here at correspondingly moderate prices. We buy at **reasonable prices**—our customers do likewise here

Space will not permit us to enumerate too many items. Your personal visit to the store will convince you that "Friedlander's" real bargains are actually treading on each other's heels in an effort to surpass each other.
